

Scott says that he thinks of himself as a graphic designer and while his illustrations may appear simple, they are very thought-out. He's an ongoing contributor to the Wall Street Journal and The Washington Post. He also writes a weekly syndicated alternative comic strip called Clip Clop. Most recently, he has illustrated *This is Jeopardy: Celebrating America's Favorite Game Show* for Barnes & Noble.

If you tell the truth, you don't have to remember anything.
